duration

18 hours

learning time

2 x 1.5h

live sessions per week

US\$45.00

fee per learner

In this course you will explain children's rights online and offline.

Delivery

Offline-ready: can run without internet

Suitable for

Early years 5-7, Primary-age 8-13, Secondary-age 14-18, Teachers, Women and girls, NGOs and community hubs

What you will be able to do

- Explain children's rights online and offline
- protect personal data and passwords
- recognise scams, bullying and fake news
- explain basic copyright
- use AI tools responsibly

Syllabus

1. Wk 1 Rights and responsibilities
2. Wk 2 Privacy and passwords
3. Wk 3 Scams and fake news
4. Wk 4 Respect, bullying and reporting
5. Wk 5 Copyright and sharing (ask, credit, create)
6. Wk 6 AI helpers: check, cite, think

Hands-on practical work

- Mock court and role play of an online bullying case
- build a password strength test
- fact-checking race with real examples
- class rights charter
- poster campaign in the school

Resources and equipment

Scenario cards, tablets or laptops, printed charter template, local media examples

Off-grid and solar option

Fully unplugged versions of all activities

Assessment

Role-play rubric, charter and a short quiz

Career direction

Lawyer, paralegal, human rights advocate, journalist, cybersecurity professional, policy analyst

Data protection, online safety and misinformation are rising legal, school and workplace priorities

Next steps

From TT1, TT5; leads to EX7 Digital Law, Rights and Ethics

Enrol

Skills first, certificate second: you finish with something you can do and a QR-verifiable certificate to prove it.
